No. 31] NEW DELHI, FRIDAY, MARCH 22, 1957

MINISTRY OF HEAVY INDUSTRIES

RESOLUTION

TARIFFS

New Delhi, the 22nd March 1957

No. 48(1)-T.B./56.—The Tariff Commission has submitted its Report on the continuance of protection to the Electric Brass Lamp Holders Industry on the basis of an inquiry undertaken by it under Sections 11(e) and 13 of the Tariff Commission Act, 1951. Its recommendations are as follows:—

- (1) The domestic industry is no longer in need of protection. The protection granted to this industry, therefore, need not be continued beyond 31st December, 1957.
 - (2) No insuperable difficulties exist for the manufacture of insulators in this country and, therefore, licences for imports of insulators should not be issued except in special circumstances and in limited quantities.
 - (3) The formulation of standards for electric brass lamp holders and their components should be completed without delay.
 - (4) The producers of Ediswan and Goliath type of brass lamp holders should place their case before the Development Wing and the National Small Industries Corporation with a view to obtaining a price preference and any technical or financial assistance needed.
2. Government accept recommendation (1) and will take suitable steps to implement it in due course.
3. Government have taken note of recommendation (2) and it will be considered along with other relevant factors while formulating import policy from time to time.

4. Government also accept recommendation (3) and will take suitable action to implement it as far as possible.

5. The attention of the industry is invited to recommendation (4).

ORDER

Ordered that a copy of the Resolution be communicated to all concerned and it be published in the *Gazette of India*.
